

Item P14-0344

Clean Room - Vinyl Marking Tape

Premium 6 mil. quality vinyl tape holds up to heavy duty wear and high traffic conditions. Used to identify aisles, steps, equipment, and potentially hazardous areas. Conforms to all surfaces. Resists oil, grease, and many solvents. This product is specifically designed for clean room applications as it is wound onto a plastic core and individually wrapped to ensure no dust or dirt or other contaminants in tape. Color: white.
