

**Item P14-0328**

**Concrete Slab Grabber**

This is an ideal solution for installing guardrails during concrete decking operations. Fast and easy to set up, the Slab Grabber can be used with 2 x 4's, 2 x 6's or cable for rails. Fully adjustable; adjusts up to a 36" thick slab. Designed to withstand rugged jobsite conditions, this system is cost effective and reusable. Meets and exceeds OSHA standards. Max spacing between each grabber is 8' apart.
