

Item P11-6577

DeWalt 12V MAX 3 x 360 Line Laser

12V lithium-ion rechargeable power tool battery platform for extra long run time and the convenience of rechargeable power tool batteries. Three 360-degree line lasers to aid in full room layout; brighter diodes increase visibility and projects bright crossing horizontal and vertical lines for various leveling and layout applications. Integrated magnetic bracket with 1/4" and 5/8" thread rear mounted magnets allow flush attachment to metal and steel track. Full-time pulse mode allows for use with detector, maintains full brightness for visibility, and extends range. Overmolded housing and IP65 debris/water resistance. Locking pendulum helps prevent damage to internal components. **Includes: 12V MAX 3 x 360 line laser, case, extended ceiling bracket, AA starter pack, target card and laser enhancement glasses.**
