DeWalt 20V MAX XR 16 GA Angled Finish Nailer Kit

16 Gauge Angled Finish Nailer drives 16 Gauge angled finish nails from from 1-1/4" to 2-1/2" which makes it ideal for fastening crown molding, casing, and baseboards. With its brushless motor powered by a DEWALT 20V MAX Lithium-Ion battery the DCN660 is ready to go to work without the hassle of using gas, compressor, and hose. Tool-free selectable trigger for sequential or contact actuation modes. Tool-free depth adjustment for precise countersinking of nails. Also features tool-free jam release to quickly and easily clear nail jams. Adjustable belt hook for left or right attachment depending on user preference. Inline magazine provides easy use in multiple orientations and in tight spaces. Compatible with all DEWALT 20V MAX batteries. Includes: Angled Finish Nailer, 2.0Ah battery, charger and kit box.
