Item P11-8293

DeWalt 4-1/2"/5" Surface Grinding Dust Shroud Kit

Complete concrete and masonry surface grinding applications with the 4-1/2" – 5" surface grinding dust shroud. Powered with a 13 Amp motor, this tool features the Anti-Rotation E-CLUTCH® System to help protect the user in bind-up situations by shutting down the tool. Perform flush edge grinding while collecting dust with the 5" surface grinding dust shroud. **Includes: 5" shroud, diamond turbo wheel, universal connector, and bail handle.**
