

Item P11-0091

DeWalt 5" Brushless Surfacing Grinder Kit with Kickback Brake

5" Brushless Surfacing Grinder Kit with Kickback Brake is equipped with a brushless motor to eliminate brush replacements, reducing downtime. It also features a brake that stops the wheel quickly. PERFORM & PROTECT™ features on this tool include Kickback Brake and E-CLUTCH® to help enhance user protection without impacting performance. POWER-LOSS RESET® - The ON/OFF trigger switch has a no-volt release function. In the event of a power outage or other unexpected shut down, the trigger switch will need to be cycled (turned off and then on) to restart tool. Variable speed functionality lets the user change wheel speed for applications as needed. Includes: grinder, bail handle, hex key, inner and outer flange, 5 in. surfacing shroud, side handle, 5" surfacing wheel and 5" T27 guard.
