

Item P90-3005

Diamond Core Bit Adapters for Competitive Core Rigs

If you already own a Hilti™ or a Jack Moore Bantam™ style core rig, the following adapter will enable you to use standard core bits without having to use their proprietary core bits.

Item	Description	Attributes
90-3013	Adapter for Hilti™ DD160 & DD250 Series Core Rigs (1 1/2" bits & larger)	Bottom Thread Male: 1 1/4"-7
90-3007	Female Pilot Adapter	Bottom Thread Male: 5/8"-11
