Elastic Back Belt with Suspenders

8" back belt is fully and easily adjustable. Made of a washable nylon and lycra combination fabric that is extremely durable to resist rugged jobsite conditions, yet breathes to keep wearer cool. Tapered from center back to front for flexibility and a better fit, with full support. Hook and loop attachment system allows the user to adjust the belt. Fully adjustable suspenders allow wearer to keep back belt on while disengaged. Suspenders are detachable. Available in four sizes. Color: Black.
