

**Item P14-8855**  
**Guardian CR5 Web SRL**

This feature rich 6' web SRL has been built for strength and durability to take the toughest tasks while working at height. Integrated with a stronger housing, increased dynamic and static strength, integrated fall clearance charts, and a digitally enabled QR code for instant access to product specifications. This lightweight Class 1 Personal SRL can be used in a combination of either fall arrest or travel restraint applications. Meets all applicable industry standards including OSHA and ANSI ANSI Z359.14-2021.
