

Item P16-0076

Harper Heavy Duty Hand Truck

600 lb. capacity. Heavy duty 1" O.D. 14 gauge tubular steel frame. 1/4" thick high strength steel toe plate (8" x 14") has a beveled edge to slide under the load easier and around corners for safety. Curved steel straps allow for cylindrical object handling. Continuous frame, dual handle for one or two handed load control. Rust resistant frame.
