

Item P11-5478

Leatherman® Surge Tool

100% stainless steel, this super heavy duty full size Leatherman Surge tool offers pliers that are 10% bigger than the pliers on the other Leatherman tools making it easier to cut larger, heavier wires with less effort. A new awl design is sharper and punches through leather and rugged materials like heavy canvas. The new ultra-sharp straight knife is larger and has a longer cutting edge than the Core or Wave Tool. It offers three different wire cutters; hardwire cutters, stranded wire cutters and regular wire cutters. The blades come with easy outside access, making it fast and convenient to open and cut with just one hand. Other features include needlenose pliers, regular pliers, electrical crimper, clip-point knife, serrated knife, scissors, blade exchanger, metal file blade, saw blade, two bit drivers, screwdriver bits, ruler, bottle/can opener, wire stripper and lanyard ring. Made of 100% stainless steel with a 25 year manufacturers warranty. **Supplied with a leather sheath.**
