Item P11-5405

Lenox® Locking Tradesman Utility Knife

A multi-use locking utility knife folds to close for safety and compactness. This tool is a utility knife and also offers such features as a bottle opener, screwdriver, pipe reamer and wire stripper. The ergonomic rubberized grip offers superior comfort. Quick blade release makes it fast and easy to change blades. Uses standard utility knife blades, but for the longest lasting blade use Lenox® gold titanium edge blades [Item 11-5437](#) (100pk) or [Item 11-5433](#) (5pk).
