**Item P13-0263**

**Lift Smart Mini-Pro Series Material Lifts**

Best-in-class load capacity and a dual-handle, shift-on-the-fly, two-speed winch, that can raise your load twice as fast as competitive models. Robust, construction-grade cast metal cable pulleys, heavier-gage aluminum extrusions and non-marking casters provide superior durability. Narrow base width and ultra-compact lowered mast height makes it easy to maneuver through a single door without having to tilt the machine back. Featuring loading wheels that can be quickly adjusted to various tailgate heights providing easy loading. SUV, van and small truck friendly. Patent-pending. Smart-Set™ "pin-less" adjustment system. Made in the USA.
