

**Item P10-2994**

**M.K. Morse Renovator Blade**

The M.K. Morse Renovator reciprocating saw blade is the ultimate heavy duty, demolitions / remodeling blade. Cuts through wood and thinner metals without leaving frayed or jagged cut edges, no need for additional finished. .062" thickness provides rigidity for more stable cutting in wider cuts. Tapered blade body best for plunge cutting. Variable tooth pitch provides fast cutting with a smooth cut finish. Reinforced tooth design provides high impact resistance.
