

Item P10-9523
Makita 16" Electric Chain Saw

The Makita 16" Electric Chain Saw is engineered for fast cutting, efficient operation and easy maintenance, without the hassle of gas. The UC4051A has a chain speed of 2,900 FPM for efficient cutting and trimming. The motor has a built-in current limiter, which is engineered to protect the motor from burnout by reducing power when the saw is overloaded, and an electric chain brake for maximum productivity. Additional features include an automatic chain oiler for heavy continuous cutting, and a large oil reservoir with view window that allows the operator to easily check the oil level. For increased comfort, the chain saw has ergonomic rubberized grip handles, and a large trigger switch with soft start for smooth start-ups. **Includes: (1) 16" Saw Chain, 3/8", 16" Guide Bar, and 18" Chain Cover.**
