

Item P14-0169

Manhole Guard Rail

Strong, 1" tubular .078 gauge steel construction is powder-coated in safety yellow for a durable finish and high visibility. Simple one-piece construction offers easy, no-tools assembly. Rail locks open and two hooking chains provide protected entry and exit. Designed to protect an area 33" x 33", the 42" high Manhole Guard Rail " collapses to only 44" square x 4" for easy storage. For safety, the rail accommodates signs, flags or lights, and for convenience, it can be used with a guard rail tent, umbrellas or winch. Weight: 34 lbs. *This assembly is to be used as a 'Temporary Barrier Railing' only. See OSHA 1910.146(c)(5)(ii)(B)

Item	Description	Attributes
