

**Item P11-7084**

**Marshalltown Aluminum Hawks**

Made of heavy gauge hand-rolled aluminum that makes them lightweight, but durable. The edges have been smoothed and the corners rounded for convenience purposes. Each hawk has a 3-5/8" flange with extended hub that is threaded for the handle. Handle and sponge rubber callous preventer are also included.

Item	Description	Attributes
11-7084		Size: 13" x 13"
11-7086		Size: 10" x 10"
