

Item P10-2671

Metal Devil® Metal Cutting Saw

Metal Devil® cuts metal efficiently with it's low speed high torque motor. Cuts cooler, faster,longer. Ideal for cutting a variety of metal applications, including pipe,angle iron and more. Offers a safer, cleaner way to cut metal, faster than abrasive wheels. Cuts up to a 45 degree miter with built in mitering device. Comes equipped with a 14" 72 tooth steel cutting carbide tipped Metal Devil blade. Other features includes plexiglass safety shield, chip collection chamber, and retractable blade guard.
