

**Item P10-9804**

**Milwaukee 1" SDS Rotary Hammer**

The 1" SDS Plus D-Handle Rotary Hammer lasts longer and drills faster than other tools in its class. Designed to deliver superior drilling speed, without sacrificing the power. 5262-21 delivers 2.1 ft-lbs of impact energy and 0-1,500 RPM. Weighing in at only 6.1lbs, the tool also features a lightweight design to provide ease of use and reduce user fatigue. The 3-Mode Operation provides maximum versatility regardless of application while a mechanical clutch protects the motor when the bit binds. **Includes side handle, depth rod, and carrying case.**
