

Item P11-4448

Milwaukee Cheater Adaptable Pipe Wrench

Milwaukee Cheater Adaptable Pipe Wrench features a New-To-World 3 length design that delivers maximum productivity. The Cheater Adaptable Pipe Wrench comes with (2) interchangeable threaded fit handles offering the versatility of 10" mode when used with no handle for tight spaces, 18" mode with the small handle for general purpose, and 24" mode with the long handle for maximum leverage and reach. The overbite jaw design offers large gripping surface. Dual coil springs offer maximum durability and tool life, and the ergonomic handle form has been designed for maximum comfort and won't dig into the palms. Through hardened jaws deliver increased grip and tooth durability, and a tether-ready handle loops makes it perfect for the toughest of jobsites. Includes: Cheater Adaptable Pipe Wrench and (2) interchangeable threaded fit handles.
