Item P10-9050

Milwaukee Jobsite Backpack

Milwaukee jobsite backpack was designed with the professional tradesmen in mind and built with durable 1680 denier material and an impact and water-resistant molded base. Features a padded, breathable load bearing harness for ultimate comfort and jobsite performance, as well as a laptop pocket for the protected storage of laptops and tablets. A fold-down front pocket allows for easy storage of large items such as fish tapes, drills and extension cords, while exterior daisy chains allow for additional clip-on storage.
