

Item P10-9122

Milwaukee M12™ 600 MCM Cable Cutter Kit

Simplify cable cutting with the one cordless tool that fits comfortably in crowded panels and generates 5,000 pounds of force. With an open jaw, breakthrough powered ratcheting mechanism and superior blade geometry, the 600 MCM Cable cutter fits into tight spaces and cuts effortlessly through large-diameter cable, leaving a clean, installation-ready cut. The compact size and scissor-style jaws enable cutting in crowded panels without looping, ratcheting or long arms. Two-speed gear case delivers the power needed to cut large-diameter cable, and then switches into high speed to slice quickly through a variety of smaller and more common wire types. **Kit includes: M12™ 600 MCM Cable Cutter, (1) M12™ XC High Capacity REDLITHIUM™ Battery, M18™ and M12™ Multi-Voltage Charger, and carrying case.**
