

Item P10-3664

Milwaukee M18™ FORCE LOGIC 6T Linear Utility Crimper Kit

Dual electronic release buttons enable both left and right handed users to easily activate without changing hand position. Compatible with eight crimping and cutting jaws this tool can crimp up to 4/0 line taps, cut up to 750MCM Cu, 1000MCM Al, 477 ACSR, ½" EHS Guy Wire, 3/8" Rebar, and 3/8" Ground Rod becoming a lineman's single crimping and cutting solution – all while saving space on the truck. Predictive Force Monitoring (PFM™) constantly measures force output to provide the fastest crimp speeds while delivering accurate pressure and instant verification every time. Featuring Milwaukee® ONE KEY™ Technology, Milwaukee® 6T Crimpers enable you to store real time crimp data, generate professional reports, view historical tool performance data and sync it all wirelessly to the cloud for easy access. **Kit includes: M18™ FORCE LOGIC™ 6T Linear Utility Crimper (2978-20), (2)M18™ REDLITHIUM™ CP2.0 Batteries, M18™ & M12™ Multi-Voltage Charger, 6T Utility Crimper & Cutter Bag.**
