

Item P13-0961

Milwaukee M18™ RADIUS™ Compact Site Light w/ Flood Mode

The compact LED light delivers 2,200 lumens in area mode and 1,000 lumens in flood mode. Our light offers up to 16 hours of run-time with our M18™ XC 5.0 battery with the option to be plugged in using the AC inlet for extended run-time. Its compact size allows you to take this site light on and off the jobsite effortlessly and its 4-1/4" metal hanging hook allows you to easily hang the light overhead. The durable light is equipped with a high impact polycarbonate lens to withstand harsh jobsite abuse.
