Milwaukee MX FUEL™ 14" Cut-Off Saw w/ RAPIDSTOP™ Brake

MX FUEL™ 14 in. Cut-Off Saw w/ RAPIDSTOP™ Brake delivers 14" gas performance with no gas headaches. The POWERSTATE™ Brushless Motor delivers the power to cut tough materials like concrete, rebar, and ductile iron. It delivers instant power with push-button start and eliminates the repetitive motions of a pull start, providing faster cutting from start to finish. No gas engine means fewer wearable parts, less noise and vibration, and zero emissions for a safer workplace indoors or outdoors. RAPIDSTOP™ Blade Break & Kickback Control provides enhanced safety by stopping the blade in three seconds during regular use and in cases of kickback. With (2) MX FUEL™ REDLITHIUM™ FORGE™ XC8.0 Batteries, it can cut 28 ft fully plunged in concrete or 240 cuts in #5 rebar. In just 45 minutes, you can charge an MX FUEL™ REDLITHIUM™ FORGE™ XC8.0 to 100%. **Includes: (2) MX FUEL™ REDLITHIUM™ FORGE™ XC8.0 BATTERY PACK(MXFXC608), MX FUEL™ Super Charger(MXFSC), AND 14" Diamond Ultra™ Segmented Blade.**
