

Item P10-3103

Milwaukee Orbital Super Sawzall®

The Milwaukee Orbital Super Sawzall® Reciprocating Saw has a high powered 13 amp Milwaukee built motor for fast orbital cutting action. The variable speed trigger provides 0 to 3000 strokes per minute with a 1 1/4 in. stroke. The 6536-21 is counter balanced for smoother operation with less vibration. A gear protecting clutch allows the saw to withstand impacts, lengthening the life of the tool. The Quik-Lok™ blade clamp provides fast and easy blade changes, and an impact resistant carrying case provides room to store a variety of accessories. **Includes carrying case.**
