

Item P10-9282

Milwaukee USB Rechargeable Green Cross Line & Plumb Points Laser

Milwaukee USB Rechargeable Green Cross Line and Plumb Points Laser is powered by REDLITHIUM™ USB, delivering all day runtime and uncompromised visibility. The high-intensity laser beams allow you to see the green beams, lines, and plumb points up to 100' for fast and accurate leveling and alignment. The integrated magnetic bracket features a micro-adjust control that pivots on point, giving you a faster set-up and point to point alignment at long distances. This crossline laser with plumb points features amplified rare earth magnets provide a strong hold onto metal surfaces with integrated screw and nail hang holes that make setup easy and efficient in any environment. **Kit includes: REDLITHIUM® USB 3.0AH battery, 2' heavy duty cable, 2.1A wall plug, and carrying case.**
