

Item P14-1661

Mobile Workbench

This mobile workbench offers versatility to any jobsite or workspace. The work surface is made of tough composition board, and has a built-in chain vise and telescoping wrench stop. Store larger items when the self-stored shelf is removed. Lock protectors are recessed and concealed for maximum security against drilling and cutting lock, and help prevent corrosion to the lock. **2 rigid and 2 locking 6" casters are included for easy mobility.** Flush mounted doors with finger groove door handles. Large lower area for bulky items. Continuous, non-removable pin hinge helps to prevent theft. Handles are angled and recessed to prevent pinch points.

Recommended [Caster Set: 5"](#), [Caster Set: 6"](#) or [Caster Set: 6" Heavy Duty](#).
