

Item P13-9138

MSA Skullgard® Hard Hats

The Skullgard® helmet is designed to withstand elevated temperatures associated with working in steel mills and other heavy industries. However, contractors like this hard hat for not only its comfort, but its unique Natural Tan textured color and feel. Available in two styles: standard cap style and full brim. Both styles come with MSA's Fas-Trac® Ratchet Suspension. Color: Natural Tan.

Item	Description	Attributes
13-9138		Style: Skullgard cap
13-9139		Style: Skullgard full brim hat
13-9142		Style: Ratchet suspension only (for skull guard)
