

Item P89-2166

Paslode Cordless Framing Nailer

Cordless Framing Nailer is designed to deliver improved power for less standing nails and better drive performance into a variety of harder woods. 15% Added power drives nails flush, even in LVL and the harder woods remodelers encounter. Keeps working in temperatures down to 14°F when used with the NEW Paslode Framing Fuel with All-Season Formula. Lightweight at 7.2lbs for better comfort and control while working overhead or in tight spaces. 7V Li-ion Battery now has 50% longer run-time for up to 9,000 nails per charge. Enjoy fewer jams and misfires when used with Paslode Framing Nails that has the precise nail strip collation matched to the nailer.
