

Item P24-0053

Penetrator X3 Mobile Fall Protection System

The PX3 is the lightest, fastest, ready to deploy fall protection solution globally. Put **three workers in arrest and 2 in restraint** to work quickly and easily. Simply lift into place, click off and go. Includes locking tool box. Designed for TPO, EPDM, metal and built up roofing. Vertical rigging points. Meets compliance OSHA 1926.502 and ANSI/ASSE Z359.6-2009(D).
