

Item P24-0052

Penetrator X5 Sentinel Mobile Fall Protection System

Tie Down Safety manufactures the best-in-class mobile fall protection systems. Contractors often need safety solutions that offer versatility without added difficulties. The revolutionary Penetrator X5 Sentinel ships ready to use and safely protects up to seven workers at a time. Weighing less than 1,300 lbs., the X5 Sentinel provides **fall arrest safety for 5 workers and an additional 2 workers in restraint**, all at same time. In addition, a useful tool box is provided to keep your gear protected and ready to go. The Penetrator X5 Sentinel can be used on concrete, or EPDM and TPO roofing applications. When it's time to relocate, our premium non flat tires allow for quick relocation so our customers can resume their work without sacrificing productivity. Tie Down Safety maintains high standards and quality control through quality raw materials and components made in the USA. Meets compliance: OSHA 1926.502. ANSI/ASSE Z359.6-2009(D).
