

**Item P12-1104**

**Poly Line**

Also called "drag line". Use with power fishing systems directly from container. Resists tangling when dispensing. Rot and mildew resistant. 6500' and 5200' rolls come in a reusable plastic dispenser, while the 500' comes in a compact convenient dispenser can. Use to pull rope through conduit. Not to be used for pulling wire or cable.
