

Item P99-8166

PowerStick™

An all purpose polymer adhesive and sealant that comes in an easy to use cartridge system. For most interior and exterior applications including concrete, brick, block, metal or wood. Powerful high-tack adhesive resists expansion and contraction due to weather. PowerStick™ is odor-free, solvent-free, and mildew resistant when cured. It can be painted over with latex or oil-based paints and cleans easily with a damp cloth. 12 per box.
