

**Item P12-1063**

**PVC Plug Set**

Use with PVC heating blankets or Electric Heaters to plug the ends of the PVC being heated. The trapped air will help keep the PVC from collapsing while forming the bend. Use on Schedule 40 and 80 PVC. Set includes (2) each of 2", 2 1/2", 3", and 4" plugs in a durable carrying case. 5" and 6" plugs are available.
