

Item P14-0956

Ram Board Vapor-Cure™ Tape

Vapor-Cure™ technology prevents cure lines in concrete and blotchy finishes in curing floors. Lays out fast, and 3" easily covers Ram Board seams. Vapor-Cure™ Tape allows vapors and moisture to escape from concrete, glue down floors, stained floors, epoxy floors, refinished floors, vct and most other floor types. *Always follow flooring manufacturers recommendations before taping directly to any surface.*
