

**Item P14-2114**

**Retractable Cable Lockout Device With Steel Core Cable**

Patented 1/8" (3.3mm) diameter x 9' (2.74m) cable features a red plastic coating for added durability and visibility. Cable reel acts as Cable Management System to allow for easier application and protected storage of the cable. Tough, lightweight thermoplastic body withstands chemicals. Suitable for group or multi-point lockout.
