

Item P13-0743
Ridgid K-60 Sectional Machine

A compact machine for institutional, commercial or residential cleaning. Also ideal for septic tank vacuum truck operators. Small enough to fit into cramped spaces, yet powerful enough to clear tough blockages. Ideal for rooftop vent stacks. Rear handle allows for easy transporting up ladders and onto rooftops. Remove only two bolts to access jaw set for cleaning or replacement. Removal of same bolts provides access to belt drive. K-60SP sectional machine provides the professional with a powerful yet compact machine for clearing 1-1/4" to 4drain lines. It can be operated with both 5/8" and 7/8 sectional cable. The K-60SP offers more cable torque than any other product in its class giving you greater line cleaning capability. Powerful 1/2 hp motor develops 600 RPM cable speed resulting in greater line cleaning capability. CSA approved. Approved to UL standards (NRTLCL).
