

Item P23-0121

RIDGID RP 351 Press Tool

Features a brushless motor that is capable of over 100,000 press cycles and requires no scheduled maintenance. Get access to hard-to-reach locations with endless 360° swivel. It has the most advanced color-coded status indicators and LED lighting to provide real-time information and visibility in no-light applications. The RP 351 and it's drill-grip counterpart, the RP 350, are the only press tools in the industry compatible with all RIDGID Standard Series jaws, rings, actuators, and attachments.

Item	Description	Attributes
