

Item P12-1878
SAWZALL® TORCH™ with NITRUS CARBIDE™

Torch With Nitrus Carbide™ blade is the fastest cutting and longest life blade in cast iron and thick metals. Dissipates heat better and delivers 5X the life of existing carbide teeth reciprocating saw blades, greatly improving user productivity when cutting through cast iron. Larger gullets will provide easier chip ejection and resist gumming up the teeth when cutting the thickest metals.
