

**Item P99-9409**

**Scru-Lead™ Lead screw Anchor**

**Base Material:**

Concrete, Block, Brick

**Size Range:**

No.6-8 x 3/4" to No.16-18 x 1 1/2"

**Anchor Material:**

Lead alloy

The Scru-Lead anchor is designed for use with sheet metal or wood screws in concrete, block or brick. The anchor is made entirely of lead alloy which is soft enough for easy installation, yet hard enough to give sure, secure holding power. The performance of this product depends on the integrity of the base material. The anchor is recommended for light duty applications where holding power is not a critical factor. It should not be used overhead.
