

**Item P11-5031**

**Side Cutting Pliers-Connector Crimping**

Soft, yellow handle material on outer surface for comfort and a firm grip. Hard, black material on inner surface and handle ends for toughness and durability. High-leverage design delivers 46% greater cutting and gripping power. Induction hardened cutting knives for long life. Die at the hinge of the tool for crimping connectors, lugs and terminals. Hot-riveted joint for smooth action and no handle wobble.
