

Item P25-0639

Alpha Shield™ FR

Alpha Shield™ FR is a surface protection sheet that provides ultra heavy-duty, fire retardant floor protection during construction. The recyclable and reusable fabric backed sheets measure 48" x 96" and are designed with support pockets for heavy duty impact resistant protection from heavy machinery. The textured face promotes grip and slip resistance, reducing the risk of accidents.

Item	Description	Attributes
25-0638	48" x 96" Board (Non-FR)	
25-0639	48" x 96" Board - Fire Rated
