

Item P10-2432

Squids® Double-Locking Dual Carabiner - 25lbs

Double-Locking Dual Carabiner tethers tools to help worker prevent injury, damage and lost productivity from dropped tools. Swiveling double locking carabiners provide secure connection and prevent twisting and tangling while performing job. Stretch cord surrounded by tubular nylon webbing with lock stitching at both ends for extra security. Heavy-duty (BKN) triple-locking carabiner feature 360° swivel captive eye. Adjustable barrel lock for tool attachment. Maximum safe working capacity of 20 lbs. Lime. Manufactured by Ergodyne.
