Item P10-4084

Standard Flap Discs Wheels

These 1/4" shank mounted flap wheels feature quality aluminum oxide coated abrasive material. The flaps, arranged like a fan around the shaft of the tool, provide for consistent cutting action, maximum performance, and long life. Standard Flap Wheels can be used on all ferrous and non-ferrous materials, stainless steel, iron, brass, aluminum, plastic, fiberglass, wood and glass. Excellent for working in small, hard to reach places.
