

**Item P13-0159**

**Sumner® Fork Extensions**

Fork extension kit for Sumner Series 2000 and Series 2100 contractor lifts. Forks may be extended from 28" to 42" with the push of a button. A second button returns the extensions for storage inside the forks. Please note: With longer forks the weight capacity decreases to 200 lbs. This is marked on the forks when extended.
