

Item P10-3080

TSA230 Stihl® Cordless Cut-Off Saw

Lightweight and easy to start, the world's first cordless electric cut-off machine is great for cutting brick, tile, and metal indoors. Powered by 36-volt lithium-ion battery technology offering a mission-free cordless technology ensures clean work, both indoors and outdoors. Perfect for confined spaces. Lightweight and versatile at only 12.4 lbs., with a cutting depth of 2-3/4". Onboard water control helps suppress dust while a toolless wheel lock prevents wheel rotation when removing the wheel attachment bolt.

Please note: TSA 230 Cut-Off Machine, battery, and chargers are all sold separately.
