

Item P14-0042

AO Tuffmaster™ Faceshield

Designed to provide protection for the face and neck against chemical splash and flying particles. Crown protector made of high strength thermoplastic material which provides impact resistance over a wide range of temperatures. Precision ratchet head size adjustment offers a comfortable snug fit with five position pin-lock crown strap for additional support and comfort. Floating window suspension distributes weight and reduces shock of impact. Large 9" x 14 1/2" polycarbonate window also provides good heat resistance. Meets ANSI Z87.1-1989 and complies with OSHA requirements for industrial eye protection. **Please note: Windows must be ordered separately.**

Item	Description	Attributes
