

Item P12-1703

Water Suction Hose

Two grades available: PVC or rubber. The PVC Suction Hose is flexible, and abrasion resistant with rigid reinforcement for full vacuum. Our Rubber Suction Hose is made of black, smooth EPDM rubber with fabric piles and steel wire spiral for full suction service yeilding a higher working pressure. Temperature range: -10°F to 150°F. Assembly includes male and female couplings. Sold in 20 ft. lengths.

Item	Description	Attributes
10-0200		Dia.: 3" Grade: PVC Color: Clear Working Pressure: 55 psi.
12-1703		Dia.: 2" Grade: PVC Color: Clear Working Pressure: 65 psi.
12-1706		Dia.: 2" Grade: Rubber Color: Black Working Pressure: 125 psi.
12-1707		Dia.: 3" Grade: Rubber Color: Black Working Pressure: 100 psi.
