

Item P13-0970

BENDstation™ PRO

BENDstation™ PRO is a comprehensive conduit bending workstation for 3/4" and 1" EMT that speeds up the entire bending process up to 30%. Built-in protractor for quick and accurate bends. Safe and efficient measuring, bending and cutting at a 36" table height. The ability to store up to 900 feet of conduit and an extra shelf for storage for tools and materials. Heavy-duty casters for easy transportation and mobility. Unique dual bending shoe, designed for both 3/4" and 1" EMT. Ratchet system designed to make bending 1" EMT safer, easier, and more accurate. Unique speed vice designed specifically to hold conduit and unistrut, makes cutting quicker and safer. Manufactured by Southwire.
